## Shell Pipe Line Contracts To Take Oil From East Hamlin and Pardue Fields

Shell Pipe Line Corporation has arranged to purchase the crude oil gathering system in the Pardue Field, Fisher County, from the Humble Pipe Line Corporation, according to a report to The Herald by A. F. Terrill, Shell Pipe Line area manager of Colorado City.

The field will be connected with the company's main West Texas to Illinois truck pipe line by a new lateral line to be constructed to Shell's Hamlin Station, located seven miles north of Hamlin. In addition the company will construct a gathering system in the East Hamlin Field, Jones County, and connect it also to the Hamlin Station.

Pardue Field has been under active development for the past year and is at present producing about 2,000 barrels daily, which is being gathered by Humble. Shell's new lateral line will consist of five miles of four-inch pipe.

Crude from the East Hamlin Field, also under active development for the past year, is now being trucked by producers to the Hamlin Station. Nine miles of four-inch line will be installed to transport the daily production of about 2,500 barrels to the Station.

Shell has been buying the crude oil in East Hamlin Field and will commence buying the Pardue crude as soon as it is ready to gather it.

The new gathering and lateral lines will be installed as soon as possible, Terrill said.

In addition to the new lines a 15,000 barrel storage tank will be constructed at the local station.

## Motorists Lag in Tag Purchases for 1951

Only 124 license plates for automobiles had been sold through the Morgan Insurance Agency station at the close of business Wednesday evening.

Motorists of the Hamlin territory are tardy in taking advantage of the opportunity to buy their plates prior to the last minute rush that always prevails.

Mrs. John C. Bryant and Miss May Gay report that many purchasers are asking for particular number combinations and are postponing purchase of the plates until such numbers can be obtained.

## Rotarians Hear Vet Service Officer

Hamlin Rotarian in their regular Wednesday noon luncheon heard a talk by John Owens of Abilene, V.F.W. Service Officer talk on "Inside of V.F.W."

Clyde Huff, who had the program, introduced the speaker, Mr. Owens.

The talk, "Inside of V.F.W.," told of the small beginning in 1899 by a group of veterans under the name of Veterans of Foreign Service. Similar organizations were started in Colorado, Ohio and Pennsylvania and in 1910 merged at a meeting.

He continued his talk listing the objects of the organization with requirement of its members for membership. The organization now has over 2,000,000 members. He gave the service officers duties and told of several of the V.F.W.'s undertakings, such as the National Home at Eden Rapids, Michigan, Essay contest and local accomplishments. He closed by stating there were 208 members of the local post.

Besides its members those present included: Milton Butler, junior Rotarian; Bernard Bryant of Stamford; Frank Pruitt, Tom Connolly and a guest of Pruitt, O. C. Harber, all of Abilene.

LT. Tom Wilson arrived in the city Sunday night for a visit permitted by his leave from duty with the Marine Corps. Wilson's visit is prior to his departure for the West Coast. Mrs. Wilson will leave Hamlin shortly to take up residence in Houston following her resignation from her position in the Hamlin school system.

## Sewerage Plant Is To Be Constructed

Long-deferred action has been taken on Hamlin's sewerage disposal plant following the action of the city council in acquiring a deed to the property adjacent to the old disposal plant from the Santa Fe Railway. Many months of negotiation have been necessary before this property could be obtained and construction of the plant has awaiting conclusion of this transaction.

Funds provided in the 1948 bond election at which time \$125,000 was voted for water and sewerage improvements, will be used for the building of the new plant. Of the bond issue, \$45,000 was earmarked for the plant construction and engineers are now engaged in defining falls and other details which must be considered in preparing specifications for the letting of the contract.

Construction of the new disposal plant will eliminate a serious problem that has confronted the city administration for a great many months. The present plant is fast becoming useless and an emergency exists for immediate relief.

## Heart of Texas Easter Worship Brownwood Sunrise Ceremony

Heart of Texas Sunrise Easter Worship will be held for the fourth time 1/2 mile east of Mercury—midway between Brownwood and Brady, according to an announcement received by The Herald.

The worship services are held overlooking the live oak tree which marks the geographical center of Texas on the Thorman Ranch.

## Sharp Well Strikes Likely Swastika

Oil operators in the Hamlin vicinity awaited the required cementing time to elapse before the Moutray-Moore J. L. Sharp Number 1 is squeezed to shut off water to determine volume of production from the Swastika. This second venture for the Moutray Moore was reported to have found about three feet of pay section with an abundant gas pressure on tests made Tuesday.

Operators will attempt to seal off water found below the pay section and produce from the saturated sand encountered.

Texas Pacific Coal and Oil will drill to the Ellenburger on their C. L. Morgan Number 1.

The same operator is at about 3,000 feet on their Tom Teague Number 1 which is to be drilled to the Swastika.

T-P has set pipe on their Swastika well which is the Cassle Number 5.

Cities Service Oil Company is drilling ahead on their Swenson Ranch wildcat, which is eight miles south of Old Glory.

The well made some show of production on drill stem test at the 6,000 foot horizon.

## March 2 Date Set For Junior Class Play

A three act comedy will be given by members of the Junior Class of the Hamlin High School, March 2 at 8:00 p. m. in the High School auditorium.

The play is entitled, "Aunt Tillie Goes to Town" by Wilbur Beaurum. The production is under the direction of Louise Mallory, class sponsor.

Mr. and Mrs. J. W. Pritchett sold their farm at Hale Center and have bought a farm south-east of town and a house near the hospital here. He is associated with Vernon Mayfield in the real estate business here.

Mr. and Mrs. Charles Owen of Abernathy are visiting in the Troy Gabriel home this week.

## Deputy Collector Here For March Conference

Announcement was made this week by the Treasury Department's, Collector of Internal Revenue will send Deputy Collector Herbert W. Patterson to Hamlin for assistance in income tax problems.

Place is slated as the City Hall, March 5, from 8:30 a. m. to 5:00 p. m.

This will be the only visit that can be made here for this purpose before March 15, concludes the report.

## Murrell Names Men To Top Committees

Board of directors of the Hamlin Chamber of Commerce met for their first meeting under the gavel of President Carl Murrell early Tuesday morning at the Chamber of Commerce offices.

An intensified interest in the development of Hamlin and the trade territory surrounding was evident in the demeanor of the old and new directors.

First step in the Chamber's intensified campaign was a motion by Director Bill Frederick that steps be taken to work in close harmony with the city council in the development of civic projects. To this end it was suggested that an effort be made to have the city council appoint a committee to meet with a like committee from the chamber of commerce for discussions of these projects.

Committees were named by the new president and will be aligned as follows:

Membership and Finance Committee: C. L. Howard, Chairman; Q. Don O'Guld, Jess Young, H. L. McBride, C. C. Bailey.

Trade Extension: Gene Prewitt, Chairman; J. V. Burgess, Arline Bryant, Clyde Alexander, Charles Gardner, John Howard King, Clyde L. Carroll, Leroy Stubbs.

Agriculture and Livestock: C. Grice, Chairman; O. D. Roland, Joe Culbertson, T. C. Blankenship, John D. Ferguson, D. M. White, Clifford Reynolds, Jr.

Publicity: Mrs. Holly Toler, Chairman; Starr Inzer, Mrs. B. S. Fers, son.

Highway: Bill Frederick, Chairman; Art Carmichael, Delma Sheburne.

Oil and Gas: W. C. Russell, Chairman; E. C. Feagan, Ed Dodd, H. E. Lawson.

Civic, Sanitation and Health: Dr. M. L. Smith, Chairman; Wesley M. Nail, Mrs. Clota Mae Tegart, Mrs. Eddie Jay, John V. Howard, Jr.

Recreation and Sports: Earl Smith, Chairman; Ted E. Armstrong, Dr. Joe McCrary, Mrs. Don Hymer.

## James Brigham Is Winner With Angus

James Brigham, student in Hamlin High School, and a standout in the conduct of his occasional agriculture projects, raised and exhibited the champion Angus steer at the San Antonio livestock show Saturday, according to Bill Lehmberg, County Agricultural Agent.

The calf, a 755 pound Angus named Ricky, was bred by Tom's Brook of Camp San Saba.

Young Brigham is following in the footsteps of his brother, Elton, who exhibited the champion Angus at the state fair of Texas in 1947.

Bobby Wedeking of the Anson 4-H Club exhibited his light weight Hereford steer to tenth place in a class of 35 top steers. Young Wedeking's calf was bred by A. M. G. Swenson of Stamford.

Both boys came home Thursday after selling their animals in the auction ring Wednesday.

## Stamford Against Has Social Security Man

Ralph T. Fisher, manager of the Abilene office of the Social Security Administration, will be at the Stamford Post Office at 3:00 p. m. March 1.

He will be available for consultation on any social security matters.

## Two Vacancies To Come on Council

Elsewhere in this issue of The Herald appears the notice that an election is to be held in Hamlin on April 3 for the purpose of electing two councilmen.

Terms of I. R. Witt and O. D. Roland are expiring and election will be held to fill these vacancies. Although these two councilmen have not filed for the positions they have filled for many years as the city governing board, they indicated when interviewed that they would accept reelection to their respective places. It is understood that men close to the affairs of the city have urged the two men to continue to render the services their experience has permitted in the past.

No indication of possible opposition to these two candidates has been evident. Attention was called by Mayor B. M. Brundage that Hamlin operates under a state association of municipalities and the laws of that association govern the elections and other pertinent matters. Under these laws a 30 day period is established as a filing deadline. Candidates seeking the positions must file for a place on the ballot on or before March 3 to qualify for a place on the April 3 ballot.

## Pvt. Charles McDaniel Completes Basic Work

Pvt. Charles E. McDaniel of Hamlin has completed six weeks of basic training with the 5th Armoured Division and has been transferred to the Field Artillery Replacement Training Center at Fort Sill, Oklahoma.

He was taught the fundamentals of army life during his six weeks at Camp Chaffee, Arkansas and will receive advanced training at his new station, a report stated.

He is the son of Charles McDaniel of Hamlin.

Mrs. Clarence Bailey and Miss Eunice Whitehead were visitors over the week-end in the home of Mr. and Mrs. Mark Bailey, Odessa. They report lots of water standing in the fields in that vicinity.

## Pied Piper Track Squad Shaping After Early Workouts as District Meet Looms

Earnest training for the coming track and field season has started for the Hamlin Pied Pipers as they prepare to defend their laurels in that sport.

The Pipers have long been a power in the middle distance department of district competition and indications are that a strong representation will step on the track again this season. Particular interest is being shown in the formation of a two-mile relay team which will defend the cup now held for this event from the Brady relays. Pipers have gained possession of this cup two successive years and a win this year will assure permanent possession.

Whimsical fact of Hamlin participation is that the Pipers have been unable to present strong competition in the 100 and 220-yard dashes, which were Head Coach Jess Burditt's specialty in both high school and at A. & M. A. & M. is a Southwest Conference school.

The new track oval has been laid-out just west of the football stadium and is being prepared for practice stints of the squad. There is need for rolling of the oval to eliminate rough spots and efforts are being made to obtain a roller for this purpose.

Members of the squad which is fast rounding into shape are:

Jon Adams, mile; Ronald Armstrong, 880 and 440; Milton Butler, 100 and 220; James Brigham, mile; David Cowan, mile; Charles Durkee, 880, pole vault; Don Elmore, 120 and 220 hurdles.

Robert Fletcher, 880, 120 hurdles and high jump; Watts Fletcher, 880, 120 hurdles and pole vault; David Ford, 100, 220, sprint relay and high jump; W. L. Fletcher, mile; Asa Goodgame, 120, 220 hurdles, mile relay, high jump, broad jump; Sugar Green, 440, mile

## Orvel Kelley Resigns Position with Celotex

It has been learned that Orvel T. Kelley has resigned his position with the Celotex Corporation.

Kelley has been very active in Boy Scout work and in the affairs of the Rotary Club and his departure will leave a void in the civic life of the community.

Kelley has accepted employment with the DuPont Industries, a firm with which he was employed prior to his association with Celotex.

It has not been revealed which department of the industrial empire he will be identified with.

## Cars Pilfered While Parked Near Hotel

Hamlin was visited by sneak thieves Tuesday night and two traveling men are suffering from loss of personal effects that are valued at between \$600 and \$700. Ray York, representative of the U. S. Royal tire company from Corsicana and Charles A. Johnson of Greenville were the losers.

Automobiles of both principals had been parked and locked near the side of the Harden Hotel. The thieves used some form of instrument to force open the ventilator windows and reach in to unlock the doors of the cars. Clothing, brief cases and a portable typewriter were among the articles stolen.

Police Chief J. H. Foster is making an investigation into the burglaries, but clues are meagre. It is believed to be the work of transients.

## Lone Star Gas Crew Laying New Gas Line

Lone Star Gas Company pipeline crew has been busy the past week near Plasterco laying a 12 mile line from the Bartlett oil field near Anson.

Approximately 75 workers are on the job, according to a report received from Anson.

The four-inch main will require a minimum of three to four weeks, depending upon the weather. The line connects to the main line located near Plasterco.

## Drive Inn Theatre Resumes Construction

Construction work was resumed Monday on the drive inn theatre which is being constructed south of Hamlin by Mrs. B. S. Ferguson.

Construction of the project was interrupted by the sudden death of Ben Ferguson, who was personally supervising the work.

A spokesman for the family informed The Herald that a drive in theatre specialist had been engaged to complete the structure and that plans were for the show to open in April.

It is understood that the drive in programs will be devoted to the display of first run pictures.

Of interest to people of Hamlin is the story emanating from Lubbock of the appointment of Dr. Carl C. Rister to the staff of Texas Tech.

Dr. Rister is a former McCauley resident and is a brother-in-law of Tate May and is well known to Hamlin residents.

Excerpts are taken from an article prepared by C. W. Ratliff of the Avalanche.

Appointment of Dr. Carl Coke Rister, nationally known historian, as a "distinguished professor" of history at Texas Technological college was announced Friday by Dr. E. N. Jones, vice president of the college.

Dr. Rister, 62, is research professor at the University of Oklahoma, a position he has held since 1945.

Dr. Rister's appointment is effective with the beginning of the 1951 summer session. He will teach the first term of the summer session and then return to the college for the regular 1951-52 long session and at least one summer term each year.

Dr. Rister's appointment to our faculty is a definite forward step toward Texas Tech's goal of becoming an institution of the first magnitude," Dr. Jones said in making the announcement. "He is the first man to be named to one of the distinguished professorships, created by the 51st legislature, at the college for the purpose of adding men of national reputation in a combination of research and teaching to our staff."

"We hope to have more men of the same character and ability on our staff in the years to come," Dr. Jones added.

Dr. Rister is listed in "Who's Who in America," "Who's Who in the South and Southwest," "Who Knows What," "Register of American Scholars," "Oklahoma Writers" and "Texas Writers of Today."

He is the author of 11 books and contributor to many leading technical and educational publications. The new Tech faculty member and Mrs. Rister will move to Lubbock early in June. They have no children.

## Irwin Become Sole Owner of Drive Inn

Announcement was made last week that Jimmy Irwin had acquired full interest in the Drive Inn Cafe thorough purchase of the participating share of Mr. and Mrs. L. G. Server.

Irwin will continue to operate the cafe on the same plan as that instituted by the partnership.

## Teague Takes Over With John Deere

Tom Teague, long-time identified with the Bryant-Link operation of the John Deere implement department, has accepted the representation of John Deere in Hamlin once again and is now operating at the former Bryant-Link location on South Central Avenue. Teague will draw on his years of experience in the implement business to capably represent the John Deere line here and his friends are greeting him at his new stand.

Production from the John Deere factory was curtailed by a strike which was in effect during the summer and the factory has just returned to full operation. During the shut-down period many new items were engineered and Teague has been assured that deliverers will begin promptly on the popular items of their manufacture as well as the new items.

Assisting Teague in the operation of the business will be Bill Shira in the parts department, Albert Chandler, shop; Dub Tidwell, shop and Paz Gonzalez as handy man.

Mrs. Jack Osburne, proprietor of Mary's Style Shop, will enter the hospital in Abilene today for surgery.

Now that there are no ceilings there's nothing the customer can hit when he hears the price.

## Jack Wilson Heads Anson's Chamber

JACK R. WILSON

Jack R. Wilson was installed as President of the Anson Chamber of Commerce for 1951 at their annual banquet held at Anson Elementary School lunch room last Friday.

He was born and reared at Hamlin and is the son of Mrs. M. Y. Wilson. He moved to Anson in 1946 entering into the furniture, appliance and floor covering business with James C. Hestand. He purchased Hestand's interest in 1948.

Prior to his coming to Anson he was connected with firms in Hamlin, Breckenridge, Abilene and Hollis, Oklahoma.

He attended Hardin-Simmons University at Abilene and is married and has a son.

He is an important Anson civic leader as, head of a number of important Chamber of Commerce committees, a director in the Lions Club, Chairman of the Board of Stewards of the Methodist Church and a member of the Gideons.

## Future Teachers Headed by Suzanne Toler at McMurry

SUZANNE TOLER

Suzanne Toler, junior from Hamlin, at McMurry College, Abilene has been elected queen of the college's chapter of Future Teachers of America and will represent the chapter at the state convention in Lubbock March 30-31.

Suzanne is majoring in education and intends to teach English and business in high school.

She is a member of Gamma Sigma social club, of which she is chaplain. Belongs to Wah Wah-taysee, the women's service club on the campus. Last year she was sophomore favorite. She is secretary also of the Business Administration Club.

She is the daughter of Mr. and Mrs. Holly Toler of Hamlin.

## Boxcar Crashes As Ice Fouls Track

A box car being pushed by the switch crew of the local Santa Fe yards jumped the track during the cold spell damaging the building owned by Mrs. W. W. Green last week.

Cause of the derailment was blamed on the freezing weather in which dirt and rocks had frozen to the inside rail causing the wheel flange not to get a good hold.

The brick building, owned by Mrs. Green, is the building behind where the old F&M Bank building. The car was enroute to the spur behind Paul Bryan Lumber Company.

## Built in Texas... and helping build Texas

The only Automobile  
 Manufacturer Building Cars  
 and Trucks in Texas

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their consignment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford... and in the process Ford is helping to build Texas, too!

Floyd Briscoe, Edward Gardner, E. B. Walton, LaFoy Patterson, Joe Simpson, Cecil Brown and M. L. Rhoten.

### Jonnie Myrl Bond and William F. Smith To Wed Sunday In Rites at First Baptist Church

Mr. and Mrs. L. H. Bond of Snyder have announced the engagement and forthcoming marriage of their daughter, Jonnie Myrl to William F. Smith of Fort Worth. The double ring ceremony will be read Sunday in the Hamlin First Baptist Church. Miss Bonds mother is the former Ora Gillis of Hamlin and the Smith family formerly lived in Hamlin. Miss Bond is an honor graduate of 1950 of Kilgore Junior College where she majored in voice. She was a member of Phi Theta Kappa, Kilgore Ranger Band and of numerous choral groups. She is a former employee of Universal CIT Credit Corporation in Fort Worth, where she has lived since July 1950. Mr. Smith, formerly of Midland, is a 1949 graduate of the school of business administration at the University of Texas, Austin. He is employed with the Universal CIT Credit Corporation in Fort Worth. After a short trip the couple will make their home at 3214 NW 27th Street, Fort Worth.

### County 4-H Council Meets in Agent Office

Jones County's 4-H Council met last week in the agents office to plan a program for local emphasis of National 4-H Club Week. The council is composed of the president and one elected delegate from each club in the county. The group decided to have a king and queen contest, as last year with a penalty a vote method. Highlight of the program will be on the evening of March 16, the coronation of the king and queen at the Anson High School auditorium. Other parts will include a singing and talks on "What 4-H Club Work Means to Me"; a team demonstration. A movie will be shown followed by the coronation.

### Mrs. McCright Dies at Rotan

Mrs. T. N. McCright, 67, resident of Fisher County since 1905, died in a Rotan hospital Monday, February 12 at 5:20 p. m. after suffering a heart attack Sunday. Funeral services were conducted at the Rotan Methodist Church Thursday afternoon at 3:00 p. m. by Rev. P. E. Yarbrough, pastor. She was born Maudie Mae Barker on October 22, 1883 in Cook County. She was married to McCright December 22, 1902 in Jack County. They moved to Rotan in 1905 to a farm, where they lived until six years ago. The couple at that time retired farming and moved to Rotan. She was a member of the Universalist Church. Survivors include: the husband; three daughters, Mrs. E. N. Bowlin of Modesta, California, Mrs. George Wainwright of Hamlin, Mrs. Chester Hudspeth of Rotan; one son, William of Royston; five sisters, Mrs. Nancy White of Rotan, Mrs. Nellie Rieger of Lubbock, Mrs. W. A. Clements of Rotan, Mrs. Oscar Hodo of Rotan, Mrs. Frances George of Crane; one brother, Lloyd Barker of Big Spring; 10 grandchildren and one great grandchild. The time will soon be here when we'll wonder once more why Noah didn't swat both those flies. The head always starts swelling about the time the mind stops growing.

### Bright Spot During Dark Months

Snow and cold weather may be the outlook for the next few months, but even the snow man takes heart when he looks southward and sees the bounty of sunny Florida citrus fruits now available. This year's crop is an excellent one, and there are plenty of oranges, grapefruit and tangerines to more than insure a daily quota of flavorful Vitamin C for every member of the family. First, there should always be a morning glass of orange juice or a half grapefruit. Grapefruit halves are good for first or last course at luncheon or dinner, and by varying the toppings, they can be served without monotony. Oranges, grapefruit and tangerines, the little kid-glove fruit, can be used in salads, fruit cups, and to lend new flavor to vegetables, meats and fish.

Johnny Wayne Waldrop and James Willard Gibson of McCaulley were among 56 young men to take physical examinations recently at Sweetwater of the Nolan-Fisher-Scurry County Selective Service board.

They thought he was so kind to send his wife away for a rest until he said: "Goodness knows I needed it!"

### HD Agent Presides At Friendship Study

Home Demonstration Agent, Miss Loreta Allen presided over the meeting last Friday of the Friendship Home Demonstration Club in the home of Mrs. Roy Brown.

The HD agent baked an iced cake for the club, using the quick mix cakes and frostings. THDA reading list was reported by Mrs. Harry Gardner who also reviewed some of the books and authors on the list.

Mrs. Cecil Brown gave a report from the council and the club voted to sponsor one group of the Camp Fire Girls.

Secret Pals gifts were exchanged and Miss Allen was presented a handkerchief. She will leave February 12 to accept a position as Taylor County HD Agent.

Refreshments of cake and coffee were served to the following: Mmes. Homer Neal, M. S. Johnson, Ed Rodgers, James Brown, Fred Carpenter, Sol Branscum, Cecil Brown, Jap Kemp;

John Hix, F. W. Flenniken, Grady Smith, Roy Brown, Harry Gardner, Jack Collins, J. E. Johnson, Elbert Pomy, R. S. Johnson; and six visitors as follows: Mmes. Gean Witt, Ed Branscum, J. T. Brown, Kincaid, F. Lain and Miss Allen.

### Mary Martha Class Has Sweetheart Party

Mary Martha Sunday School Class of the First Baptist Church held their monthly social with a Sweetheart Party in the home of Mrs. Onis Crawford, Thursday evening, February 8.

Refreshments of chicken salad sandwiches, cherry pie and coffee was served and six tables of forty-two were played.

Hostesses were: Mmes. Crawford, Edgar Duncan, B. V. Newberry, Jimmy Irwin.

Those present were: Mrs. Lewis Fincannon, Mrs. Bill Maddox, Mr. and Mrs. Nig Stringer, Mr. and Mrs. Joe League, Mr. and Mrs. Leslie Shelburne, Mr. and Mrs. T. W. Flenniken, Mr. and Mrs. O. R. Riddel;

Mr. and Mrs. Henry Albritton, Mr. and Mrs. Edgar Duncan, Mr. and Mrs. B. V. Newberry, Mr. and Mrs. Onis Crawford, Mr. and Mrs. Weldon Johnson, Rev. and Mrs. A. R. Posey and Mr. and Mrs. Jimmy Irwin.

### ELECTRICAL TIPS FOR THE HOME

If Your Bathroom Light Casts Annoying Shadows and Glare . . .

**DON'T** think you have to center one fixture over the bathroom mirror. A lamp placed in this position casts shadows on the neck and chin, makes shaving and other close-seeing jobs difficult.

**DO** install two fluorescent or incandescent fixtures—one on each side of the mirror. For shadowless, glare-free light, center the lamps at 5 feet, 2 inches high and cover them with translucent shields.

### Camp Fire Girls Meet Thursday in Hut

Hamlin's Camp Fire Girls met last Thursday afternoon in the hut.

Textile painting was done by attendants.

Mrs. Don Gould served the refreshments to the group which consisted of ice cream.

Those attending were: Gleanda Hill, Barbara Connally, Glenda Wick, Ann Carson, Gloria Rodgers, Wyvonne Conner, Judy Parker, Brenda Gould, Kay Shelburne, Joan Hallum, Anna Lou Fudge, May Jo Beene and Faye Server.

## North Colorado Association Meets in Church At Colorado City Last Thursday, Locals There

Young people of the North Colorado Association met with the 11th Street Missionary Baptist Church of Colorado City last Thursday. Pastor is Bro. Massey. Despite the inclement weather five churches were represented and 60 were present.

Meeting was opened with several songs and prayers.

Welcome address was given by the 11th Street Baptist Church of Colorado City.

Program was as follows with the theme of "God's Love."

Devotional by Calvary Baptist Church of Hamlin; "God's Love Keeps", Rom. 8:39 and a special song, "Take My Hand Precious Lord" by the Palava Church. "The Riches of God's Love", Eph. 2:4 by 11th Street Baptist Church of Colorado City; "The Display of God's Love", 1 John 4:8, Calvary Baptist Church of Hamlin. A special song "Hide Me Rock of Ages" was given by the Palava Church. "The Love of God Toward Man" Titus 3:4 was given by the Fluvanna Church and a special song by a group of young people of Colorado City closed the program.

Bro. Partee of Colorado City

acted as president in the absence of both the president and vice-president.

Business session included the voting of the next meeting for Palava on Thursday night before the third Sunday in March.

A song, "God Be With You" was sung by the group and a prayer by Bro. Hamilton closed the meeting.

## Firemen's Auxiliary Meets in Tom Vaughn Home February 8

Firemen's Auxiliary met Thursday, February 8 in the Tom Vaughn cabin on Hamlin lake. Suggestions were made for entertainment for the coming convention in April.

Business meeting was adjourned and the group began their Valentine party.

Refreshments of sandwiches and coffee were served to attendants who also played games.

Those present were: Mr. and Mrs. Roy Kelly, Ina, Fay and Dennis; Mr. and Mrs. Brad Rowland; Mr. and Mrs. John Edwards and Jonel; Mr. and Mrs. Charles Carter and Mike; Mr. and Mrs. Clyde Riley; Mr. and Mrs. Sol Branscum; Mr. and Mrs. Tom Vaughn, LouRee, Tommy and Sammy; Mr. and Mrs. Bill Thompson and Candace;

Mr. and Mrs. Cliff Crowley, James and Jerry; Mr. and Mrs. Ray Huling and George and Mr. and Mrs. Nute Stevens, Butch; Mr. and Mrs. Lee Hastings and Mr. and Mrs. Bryant Connor and Wyvonne and Jack White.

## Mrs. Perrin Hostess At Coffee for Mrs. Tom Wilson On Monday

A coffee honoring Mrs. Tom Wilson, who is moving to Houston next week, was given Monday by Mrs. E. D. Perrin.

The honoree was presented a host gift of silver.

Refreshments were served to: Mmes. O. T. Kelly, John F. Green Jr., James E. Simmons, Holly Toller, Leroy Smith, C. M. Gudger, Clifford Reynolds Jr., Jean Wooten, Lanell Sullivan, Billie Jo Parrish, Lowell Cure, Stanley Carmichael, E. J. Hawkins and Mrs. C. Weldon Grigg.

## Bluebirds Meet As Guests in Austin Home

Blue Birds of the Hamlin Camp Fire organization met in the home of Mrs. Troy Austin last Wednesday.

Refreshments were served at the beginning of the hour. Then the girls went to the kitchen and prepared Valentine cookies. Each girl was assigned a specific duty.

Those attending were: Lana Claude Lancaster, Cynthia Jo Paterson, Rebecca Ann Ferguson, Alda Faye Hale, Lillie Sue Austin and the hostess.

Mrs. L. B. Gage announces the meetings will be held Thursday at 4:00 p.m. instead of Tuesday at 4:00 p.m.

**GREAT** grandmother was right when she fed her family old fashioned Molasses Pie for the iron and calcium in molasses are important daily needs in anybody's diet. Combine 4 slightly beaten eggs, 3/4 cup molasses, 1 cup corn syrup, 1/2 tsp. salt, 1 tsp. vanilla, 1 cup melted butter or margarine. Mix well and pour into a 9-inch unbaked pie crust. Bake 35 mins. in a gas oven set at 350° F. For Molasses-Pecan Pie, add 1 cup chopped pecans to mixture before pouring into pie crust.

Grease may splash onto the wall behind your range. Cut a sheet of plastic to fasten on the wall. Then a quick wipe with a soapy cloth will keep it clean.

Quilted coverlets are precious possessions and need to be washed and dried with care. The sagging weight of a wet coverlet causes uneven drying on the line and distorts its shape. If you haven't an automatic gas dryer, borrow the use of one for drying your coverlets. Set the dial at high temperature to completely dry for 20 to 25 minutes and the coverlet will be soft, fluffy and perfectly shaped.

To prevent the flowerettes from breaking off as you lift cauliflower from the pan, put the vegetable into a clean cloth tied to form a bag. Cook, of course, over a low gentle simmer flame.

Spill your pins and needles? A dime-store magnet in your sewing box will pick them up in a flash.

If food is burned on the bottom of a pan, soak with baking soda and water overnight. When you're in a hurry to use the pan, bring cold water and soda to a boil over a high flame until burned residue falls off.

Alcohol will preserve anything but health, happiness and secrets.

## NEW DODGE "Job-Rated" TRUCKS

## The trucks that do the most for you!

**Here's what's NEW about power**  
You get more horsepower than ever in the new Dodge "Job-Rated" Trucks! Eight efficient engines—94 to 154 horsepower—with power increases up to 20%! You get the right power for your job with top economy. Yet, these new trucks are priced with the lowest!

**Here's what's NEW about ease of handling**  
You can turn these new trucks sharper—in a smaller circle. Handling is easier because of new worm-and-roller steering gears, more convenient steering wheel angle, cross-steering, wide front tread, and short wheelbase.

**Here's what's NEW about styling**  
Distinctive new lines, massive new grille, new two-tone cab trim, and new appointments make these the best-dressed trucks on the road! Lower hood lines make it easier to see more of the road ahead. More comfortable, redesigned seats, too!

**Here's what's NEW about safety**  
Never before such safe, smooth, quiet truck brake action—thanks to new molded, tapered Cyclebond brake linings. (On trucks 1 1/2-ton and up, except air brake models.) Improved hand brake operates independently of service brakes.

## More than 50 brand-new features...Including:

**NEW! More economical performance**—with higher compression ratio—on models through 1 ton.

**NEW! Easier bad-weather starting** with new moistureproof ignition and high-torque starting motor.

## Mrs. Bo Newland Honored With Pink and Blue Shower Wednesday in Woods Home

Mrs. Bo Newland was honored with a pink and blue shower Wednesday night at 7:30 in the home of Mrs. James Woods. Co-hostesses were: Mmes. Varne Ely, Charles Carter and John Hymer.

Color theme was in pink and blue in the entertaining rooms. A huge stork centered the bed with pink and blue streamers going to each corner of the bed that was laden with gifts and other designated places.

The honoree was presented with a pink and blue corsage with a matching pink and blue flower arrangement dotted with white candy tuft on the coffee table. Carrying out the color theme was a miniature clothes line and a miniature washing.

For recreation Mrs. Woods and Mrs. Hymer conducted a series of games for the group. Prizes were won by Mrs. Crickett Fomby and Mrs. Bernice Townley and the honoree.

Mrs. Zelma Perryman made a number of flash blue pictures of the gifts, the honoree and her daughter, Vicki; Mrs. Watts Fletcher and Mrs. W. S. Newland. They will be mailed to Bo Newland, husband of the honoree, who has been in combat in Korea since early December. He was hospitalized for four days February 1 with foot trouble.

Favors on the refreshment plate

were miniature pink and blue three cornered pants full of Valentine hearts.

Guests included: Mmes. W. W. Fletcher, mother of honoree, Wanda Neal, E. A. Hewett, aunt of the honoree, Mabel Riley, Inell Huff, Zelma Perryman, Adelle Kelly, Miss Valveria Hudson;

Mmes. Cecil Hodnett, Doris Stanford, Mildred Howard, Bernice Townley, Sara Gold, Charlene Brown, Fayerene Weaver, Mary Osborne, Enell Carter, Crickett Fomby, Miss Mary Carter, Miss Mozelle Barnett, Miss Jo Hargrove;

Mmes. Jo Forbus, Jack Fletcher, Letha Rae Brannon, Helen Brown, Miss Ava Hudson;

Mmes. Johnnie Woods and W. S. Newland, mother-in-law of the honoree.

Those sending gifts included the following: Mmes. Jake Lawson, Sophia McCormick, Edward Gardner, Eula Gardner, Jean Watson, George Malouf, Laverne Holt, Charles Gardner, C. E. Gregory, E. C. Hewett, B. L. Goodwin, Beatrice Huling, Miss Adele Dixon;

Mmes. Dinkey Brown, W. R. Wilkerson, Ralph Riddle, J. C. Riddle, Winnie Day, Dorothy Townley, Myrtle Bury, Lillie Yates, Laura Yates, Maud Carlton.

## Homemakers SS Class At Harkins Home

Homemakers Sunday School Class met in the home of Mrs. P. D. Harkins Monday at 2:30 p. m. for their regular social.

Entertainment was furnished by games and refreshments were served the attendants.

Those present were: Mmes. Ben Parker, Lee, Huchingson, Abbott, Walton, teacher, Mayfield, Carter, Grice, Durkee and the three hostesses, Mmes. W. W. Fletcher, Clinton Packwood, Harkins, reporter.

The social was closed with a prayer by the teacher, Mrs. Walton.

Hostesses for the February social will be Mrs. Lee and Mrs. Abbott.

You can always borrow money at the bank if you can produce ample evidence that you don't need it.

## Scented Soap Can Serve as a Sachet

### Perfumed Cotton Pads Are Practical and Also Economical

BY EDNA MILES

IN THESE days of rising costs, it's a wise woman who uses a few tricks for extracting double duty from the small luxuries that add to the graciousness of living.

If your pet extravagance is soap perfumed with your favorite scent, try this tip for prolonging your enjoyment of the fragrance. Instead of stowing it away on your household supplies shelf, put it in with your lingerie or linens—just as you would a fine sachet. You'll find the effect is similar—a delightful whiff when you open your drawer or closet door.

A similar plan may be carried out with cotton pads, which many women tuck, after perfuming them, into pockets or cuffs in preference to scenting their skin. Instead of simply tossing these pads out after use, try tucking them in with your undies. Or else tie a cluster of them on ribbons and hang them on the hanger with your favorite dress.

This idea may be extended to your kitchen, too. Instead of allowing your fruits to lie until used in brown paper bags in your kitchen cabinet, try arranging them in your most attractive bowl and using them as a centerpiece for your table.

Vegetables, too, can be used for colorful decorative effects—particularly such vividly-hued ones as eggplants.

Hollywood star Ruth Roman tucks a cake of perfumed soap in with her lingerie in order to enjoy its fragrance each time she opens the drawer.

Mrs. Ruby Hymer of Anson spent Friday and Saturday as the guests of her sons and families; Mr. and Mrs. John Hymer, Ruby Dean and Mr. and Mrs. Don Hymer and Joe Don.

Sucking at the bottom of the pail after all the milk is gone can cause bloat in calves.

Mrs. Gene Richardson of Lubbock was a guest in the John Hymer home last week-end.

**GOOD HEALTH**

**Answer to Question No. 1:**

1. As the pigeon said to his young son, "Don't walk people-toed." Actually, the feet should be in slightly or be parallel in walking and standing. It is harmful to walk with the feet sharply out, as this may weaken the arches and produce flat feet. Proper shoes are all-important.

**Answer to Question No. 2:**

2. Differences in curvature on the surface of the eye cause an error in refraction which is called astigmatism. It's something like looking through a window pane which has a slight-

ly irregular surface. Although it's rare in childhood, many adults have astigmatism and need properly prescribed glasses to correct it.

**Answer to Question No. 3:**

3. Something like a chicken incubator for babies was invented in 1880. Modern types are vastly improved. Since premature birth is a major factor in infant mortality, many states now have premature baby centers situated to provide quick incubator care when needed. Services include portable incubators and provision for the loaning of incubators.
